

SPONSORSHIP OPPORTUNITIES

Each year, people like you play a vital role in the success of our annual Public Art project in downtown Racine celebrating its 19th year. The community art provides an excellent opportunity to showcase our thriving art community, shops, galleries, museums, restaurants and beautiful lake-front by attracting thousands of visitors to the area throughout the summer months.

We are excited to announce we will be doing sets of 3 ceramic flowerpots which will be open to all artists with a theme of their choice. In addition we are creating an outdoor game set which will include giant Jenga and a set of Cornhole boards. The outdoor game sets will all be completed by all student artists from elementary to college. We are once again partnering with Veteran's Outreach to build the outdoor play set. Veteran's from the tiny house village will be building the benches and a portion of the proceeds of benches will go directly back to Veteran's Outreach. In addition, the game sets will be brought out to Monument Square each Friday and Saturday during the live music for the community to enjoy and play!
