

20TH YEAR OF PUBLIC ART

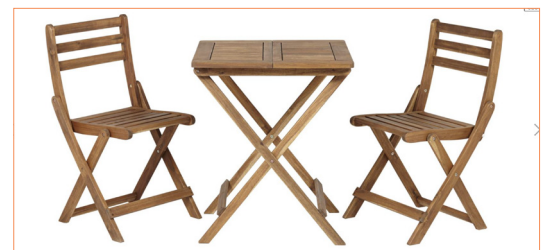

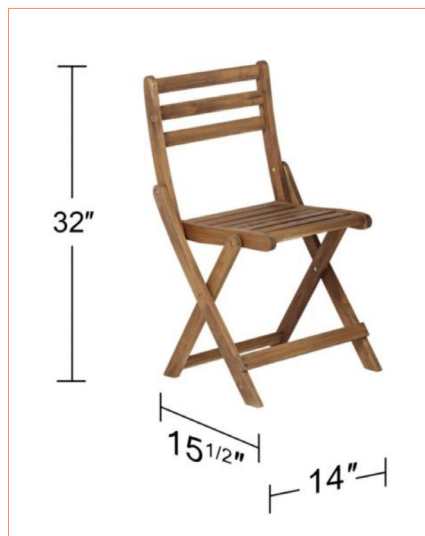

CALL FOR ARTISTS

The Downtown Racine Corporation will host the 20th annual public art project featuring a bistro table and chairs. They will be displayed from June through mid-September in downtown Racine.

The Downtown Racine Corporation is currently seeking 25 artists to create unique, kid and family friendly designs that will ultimately become table and chairs art. We are looking for exciting, imaginative, designs for these. To be considered fill out the attached form and submit it with your designs for review. Selected artists will receive \$100 for supplies. All artists will have the image of their table and chairs posted on Downtown Racine's website (racinedowntown.com). In addition to the thousands of residents and visitors who will view and use the table and chairs. The artists and sponsors will be recognized in the DRC's walking tour brochure which is available throughout the summer. Fan favorite voting will take place all summer long and the winner of that contest will receive a \$100 downtown gift certificate.

GUIDELINES:

The artist may paint, sculpt, transform or adorn the table and chairs but may not compromise its structural integrity and functionality. In creating a design, please consider carefully the weather and other elements of nature, including sun, rain, wind and dirt. Designs should be created with durability and public safety in mind. Although objects may be attached to the table and chairs, they should be very sturdy as vandalism could occur. Any object added should be attached in such a way that it cannot be easily removed and that the table and chair is still function. Designs that are religious, political or sexual in nature will not be considered.

20TH YEAR OF PUBLIC ART

DETAILS

Artists are responsible for picking up the table and 2 chairs from Downtown Racine Corporation (425 Main St.) beginning March 5th and transporting it back by May 20, 2021. To complete the artwork, each table/chairs must be finished with three (3) coats of varnish. An exterior grade sealer that is non-reactive, not-toxic, UV-resistant and waterproof is strongly recommended. (Polycrylic by Minwax is sold in a satin, semi-gloss and gloss finish.). Remember, these will be outdoors, so it must be finished appropriately.
