

SPONSORSHIP OPPORTUNITIES

Each year, people like you play a vital role in the success of our annual Public Art project in downtown Racine celebrating its 24th year. The community art provides an excellent opportunity to showcase our thriving art community and attract thousands of visitors throughout the summer months. We are confident that this year's art piece will continue the tradition. We are excited to announce we will be doing 6ft metal kites in 2025 fabricated by Gateway welding students.
